DETAILED ACTION

Allowable Subject Matter

Claims 16-21 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding claims 16, nowhere in the prior art is found a cable having a first plug, second plug, an outer housing attached to the first plug wherein the outer housing includes a light source for illuminating a mobile device while connecting the first plug to a mobile device and second plug to a power supply of a vehicle.

Anglin (US 4,258,305) shows an emergency charger device having a first plug attached to a first vehicle, second plug attached to a second vehicle, an outer housing and a light source located on the housing. Anglin does not teach or suggest the first plug attached to an outer housing with a light source for illuminating a mobile device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
